Until the end of December we are offering **20% off**  
on our RB25A, RB50A, RBPS25 and RBPS50  
Ground Power Units.

Looking for a unit to start your aircraft in the cold winter months? The RB25A and RB50A are battery start units capable of giving up to 1500 peak amps.

The RBPS25 and RBPS50 are continuous 28V/14V switchable DC power supplies, capable of giving 25 amps and 50 amps respectively.
